## SUMMARY

---

Aspiring Java Developer with a strong foundation in object-oriented programming and experience in developing automated systems. Seeking to contribute technical and problem-solving skills to innovative projects in the software development field.

## EDUCATION

---

**Dr. Babasaheb Ambedkar Technological University**  
**Bachelor of Technology (B.Tech) - 75.15**

**2021 - 2024**

## TECHNICAL SKILLS

---

<b>Programming Skills :</b>	Java , Object-Oriented Programming
<b>Frontend Development :</b>	HTML, CSS, JSP, Servlet
<b>Database Management :</b>	MySQL , PostgreSQL
<b>Servers and Deployment:</b>	Apache Tomcat
<b>Development Tools :</b>	Visual Studio Code , IntelliJ IDEA , Eclipse

## EXPERIENCE

---

**Java Developer Intern**  
Primine Software Pvt. Ltd.

Apr 2025 - Present  
*Nagpur, Maharashtra*

Worked on core Java concepts including OOP principles, exception handling, multithreading, and collections framework. Assisted in developing and debugging the Java-based applications in a real-time development environments. Collaborated with senior developers to implement and optimize backend logic using Java and JDBC. Gained hands-on experience in integrating Java applications with MySQL databases. Participated in code reviews and contributed to improving code quality and maintainability.

## PROJECTS

---

### Developed Automated Wireless Charging Stations for Electric Vehicles

Develop automated, user-friendly wireless charging stations for electric vehicles (EVs). Goal of this project is to revolutionize EV charging for convenience and sustainability,

### Hotel Management System using Java

It helps to automate many of the processes involved in running a hotel, such as reservations, check-ins and check-outs and room assignments. Overall, hotel management system can help to automate many of the day-to-day operations of a hotel, which can lead to improved efficiency, increased revenue, and better customer service.

## CERTIFICATIONS

---

### Java Development Training Course ( VibrantMinds Technologies Pvt. Ltd )

This course covers the fundamental principles of the Java programming language, including the foundational concepts of object-oriented programming and java development.

## EXTRA-CURRICULAR ACTIVITIES

---

- Placement volunteer at placement session 2024 - Dr. Babasaheb Ambedkar Technological University
- Self-Motivated Learner – Java and Backend Development (Udemy/Coursera).
